

# CINERGY DT USB XS Diversity

## Dual DVB-T receiver with Diversity functionality

- Diversity functionality for use while you're traveling
- Best reception, even at the edges of DVB-T coverage areas
- Record one program while watching another (Dual Tuner)
- Digital video recorder
- Including remote control and two antennas!

The Cinergy DT USB XS Diversity is making the next generation of DVB-T reception possible. The handy TV stick can be connected easily to your laptop or PC using a 2.0 USB port and makes it possible for you to watch TV on your computer without the need for extra wires and cables. The brilliant new Cinergy DT USB XS Diversity is breaking the mold thanks to a few of its groundbreaking new functions:

### Diversity mode

In Diversity mode, the signals picked up by the two provided rod antennas combine to form a new, improved signal. This is finally making it possible to pick up better reception in most of the fringe DVB-T service areas without having to install a roof antenna or having to buy other accessories, such as active antennas. Likewise, using the Diversity function in DVB-T service areas allows for interruption-free reception while traveling - ideal for long train rides or for entertaining children in the back seat of your car.

### Dual-tuner mode

If the strength of the signal you are receiving is already sufficient, the provided TV software deactivates the Diversity mode, instantly making two tuners available in one device. Now you can receive two programs at the same time - or you can watch one program while recording another.

## Technical Details

### General

- Plug'n'Play
- Voltage: 5V DC (USB bus powered)
- Current: 480mA
- Housing colour: white/grey
- Dimensions: 80 x 30 x 15 mm (wide x height x deep)
- Weight: 30 gramm

### Infrared remote control

- 48 buttons
- 2xAAA batteries
- Weight: 82 gramm (incl. batteries)

### System requirements

- 2,0 GHz Intel / AMD CPU
- 1 GB RAM
- One free USB 2.0 or USB 3.0 port
- Windows XP SP3 (32 Bit) / Windows Vista SP2 (32/64 Bit) / Windows 7 SP1 (32/64 Bit) / Windows 8 (32/64 Bit)
- Internet connection for driver and software download
- Digital terrestrial TV reception (DVB-T, Freeview, TNT)

### Scope of delivery

- Cinergy DT USB XS Diversity
- Two portable aeriels with magnetic base and suckers
- Two aerial adapters MCX to IEC
- 2 to 1 IEC adapter
- Remote Control
- USB 2.0 extension cable
- Quick setup guide
- Service card

Art.Nr: 10365  
EAN-Code: 4017273103655  
Warranty: 24 month
